BOARD MEMBERS

Pawan Khaitan

Chairman

Pawan Khaitan is the chairman of SPD group. Under his leadership, the group has emerged as a leading service provider of turnkey construction solutions and occupies an important position in the industry. More than four decades of leadership experience in international trading yields him the capabilities to drive the corporate to greater heights.

Mr. Khaitan chairs the SPD group's Board of Directors and mentors various business leaders. Residing in Singapore for the last 30+ years with offices in India, Singapore, Dubai, Vietnam and Africa, he is a knowledge repository in international trade and finance. A visionary with solid experience and strong business acumen, Mr. Khaitan is the driving force behind all strategic decisions of SPD who mentors an empowered leadership team to confront new challenges with smart and effective solutions.

Saurav Khaitan

Managing Director

Saurav has been the key architect of the group's focus to be a more brand driven organization with an aim to have growth of each stakeholder who is associated in any respect. He heads the key department of Accounting & Finance and chairs the marketing initiatives of the group. Under his leadership SPD has rapidly expanded its market presence across various locations. He has previously worked for Langham Capital, a boutique investment bank, where he was involved in managing several M&A and fundraising transactions. Prior to joining Langham Capital, he worked for Deloitte, where he was involved in the corporate finance division providing advisory services for corporate development and capital raising initiatives.

Saurav has completed a Bachelor's degree from King's College London and a Master's degree in Finance from the London School of Economics. Saurav is the Founder Director of the Company and is heading the Finance, Legal, HR & Administration departments of the Company.

Chirag Khaitan
Executive Director

Chirag has played an instrumental role in shaping the group's strategy. He heads the Operations department and chairs the business developmental initiatives of SPD.

Under his leadership as a Founding Director since 2010, SPD has developed an efficient team that is actively involved in the expansion of the group. He oversees day to day management of the organization, including business development and strategic planning.

Grounded by a strong academic foundation from the London School of Economics (LSE), Chirag has cultivated a sharp executive focus, completing the Leadership Program at INSEAD to master strategic leadership and drive organizational growth. Further cementing his forward-looking expertise, he pursued the Business Executive Program in Artificial Intelligence at the Saïd Business School, University of Oxford, specializing in leveraging AI for business strategy and innovation within the construction sector.

Sanjay Jalan
Director

Sanjay has been with SPD Group since 2010 and is primarily responsible for ensuring that all clients and contractors are satisfied with the output and performance of the Company.

A graduate in commerce since 1997 and having rich commercial experience of more than 12 years from running and expanding his own family electrical business, Sanjay brings unique skill set and capability to ensure that the construction sites of the Company are running at optimal efficiency.

Sanyam Khaitan
Director

Sanyam is heading the procurement activities of the group. He undertakes the responsibility of developing, leading and executing purchasing strategies. Sanyam is involved in tracking and reporting key functional metrics to reduce expenses, ensure timely delivery and improve effectiveness, crafting negotiation strategies and closing deals with optimal terms while ensuring that quality is not compromised under any circumstances.

Sanyam has done his graduation from Singapore Institute of Management. He has previously worked for HSBC prior to joining SPD in 2015. He has gained valuable hands-on experience in the past few years which has helped him to develop systems that ensure competitive prices, proven quality, fastest turnaround time and minimal inventory costs eventually resulting in lower costs and better quality for our clients.

Arup Patnaik Independent Director

Arup Patnaik, born on September 8, 1955, in Bhubaneswar, Odisha, is a retired Indian Police Service (IPS) officer known for his tenure as the 36th Police Commissioner of Mumbai. He completed his schooling at Mayo College, Ajmer, and earned a B.Sc. in Chemistry from Delhi University. Before joining the IPS in 1979, Patnaik worked as a Probationary Officer at the State Bank of India from 1976 to 1979.

Throughout his 36-year career with the Maharashtra Police, Patnaik held various significant positions, including Superintendent of Police in Latur, Nagpur, and Jalgaon, as well as Deputy Commissioner of Police in Mumbai. Notably, he led investigations during the 1992-1993 Bombay riots and was instrumental in the 1993 operation that seized approximately 1,500 kg of RDX in Mumbai. In 1994, he was deputed to the Central Bureau of Investigation, where he supervised probes into the Harshad Mehta securities scam.

Patnaik's leadership as the Commissioner of Police, Mumbai, spanned from February 2011 to August 2012. His service was recognized with the Indian Police Medal for meritorious service in 1994 and the President's Police Medal for distinguished service in 2003.

Avnish Sharma Independent Director

Avnish Sharma is a Partner in the Real Estate practice group of Khaitan & Co, one of the leading law firms in India. Avnish specialises in real estate and has advised some of the major Indian and International companies, along with advising the Government of India on critical policy issues.

Avnish has worked with the Ministry of Housing and Urban Poverty Alleviation, Government of India, in drafting of subordinate legislation under the Real Estate, (Regulation & Development) Act, 2016 and in drafting of Model Contract for PPP in Housing Sector.

He has extensive experience in matters pertaining to foreign investment in real estate, onshore & offshore structuring, development and collaboration transactions, local law advisory, SEZ investments, private equity investments and transaction management.

CA Niraj Jindal Independent Director

With a rich background spanning more than two decades in the financial and banking services sector, CA Niraj Jindal has honed his expertise in serving Mid-size Corporate businesses in East India. Having held key roles as the Regional Head at esteemed Foreign Banks such as SCB and HSBC, he has also made significant contributions to major Private sector Indian Banks including ICICI Bank, Yes Bank, and ING Vysya Bank.

Throughout his career, Mr. Jindal has primarily operated in leadership capacities, playing a pivotal role in driving business development and acquisition strategies, steering revenue growth, and overseeing portfolio management initiatives. His influential leadership style and strategic acumen have been instrumental in shaping successful outcomes across various facets of the banking industry.

FROM CHAIRMAN'S DESK

Pawan Khaitan
Chairman

It is my great pleasure to introduce SPD Constructions Limited as one of the leading building contractors with a remarkable execution of approx. 35 Million sqft of building construction area. It has attained a strong reputation in the field of building contracting because of excellent commitment, sustained growth and stability, professional management as well as high quality work which is completed on time and within budget.

We take pride in being one of the most sought after engineering and contracting firms in East India having achieved a remarkable cumulative average growth rate of almost 59.3% since inception in 2010 and contributing significantly to the development of the area. The Company has attained prominence as a leader in the field of construction and engineering through competence, competitiveness and timely delivery with highest quality standards and recognized safety performance. We have a long tradition of serving our valued customers to their complete satisfaction through efficient management and

excellent workmanship, which we continue to maintain with our untiring efforts.

In an era of advanced technologies and new techniques, we continuously strive for innovation and enhanced efficiency. We constantly make genuine efforts to upgrade our performance in order to match the demand of the construction industry. We aim to thrive in an environment where collaboration, individual accountability and technical innovation are valued. Everyday, we effectively deal with demanding new scenarios and challenges which lead us to improve our former selves and stay ahead of the competition.

As we visualise the future, we renew our pledge to remain committed to excellence, keep abreast of changes and innovations, adopt better management and construction techniques and successfully overcome all challenges before us. Although we are proud of our past, we continue to work hard to make tomorrow even better.

KEY TEAM MEMBERS

Mr. Pakki Kandal Rao as Vice President brings 35 years of solid experience in Strategic Management, Team Leadership, Resource Management and Operations Management in the Construction Industry. Armed with rich experience of working with reputed organisations such as Nicco, Mfar, BDA, MES, Hero, Unimark, GAIL, Indian Oil, etc, Mr. Rao has completed several iconic projects like the Trump Tower and Ecospace Air Tower in Kolkata, the Gail Tower in Noida and 13 amusement and water parks in India and abroad. Mr. Rao is a Civil Engineering Graduate with MBA who has completed numerous certifications such as ISO, GRIHA, EPGSBL, Business Excellence Assessor etc. from reputed institutions like, IIM Kolkata, XIM Bhubaneswar, Griha Council, CII etc. He has also received many prizes in India and abroad such as Gold Medal in QIT international competition held at Hyderabad. With his vast experience and versatile knowledge, Mr. Rao is motivating the team to achieve the Company's vision of Business Excellence.

Pakki Kandal Rao, Sr. VP

Mr. Rajiv Tyagi, Sr. VP, brings 35 years of extensive experience in project planning, execution, contract management, and cost estimation, particularly for large-scale building and healthcare projects. A Civil Engineering graduate from NIT Calicut with postgrad credentials from the National Institute of Environment and Delhi University, he is well-versed in CPWD procedures and ensures project progress with a focus on QA/QC standards, stakeholder coordination, and timely delivery.

Rajiv Tyagi, VP-Technical Advisor

Mr. Alok Das, AVP, brings over 25 years of expertise in business development, project execution, and liaison work with top-tier construction firms. Holding B.Tech and M.Tech degrees in Construction Management, he has led major infrastructure projects like NH-40 and Eastern Railway developments. Mr. Das excels at managing multidisciplinary industrial and high-rise commercial projects, ensuring resource optimization and cost-effective delivery in collaboration with international clients and consultants.

Alok Das, AVP

Mr. Pramod Vardhan Tripathi, Sr. Consultant, brings over 32 years of experience in executing large-scale hospital, laboratory, housing, and infrastructure projects. Proficient in CPWD and FIDIC contracts, he has overseen end-to-end execution, billing, and handover of major projects. Mr. Tripathi is skilled in arbitration, RTI handling, MIS reporting, and ISO-compliant supervision and quality control, with a strong command of contractor-client coordination and legal processes.

Pramod Tripathy, Technical Advisor

Mr. Praveen Jha, General Manager – Accounts and Finance, is a Chartered Accountant with over 16 years of progressive experience in the construction and infrastructure industry. He has a proven track record in strategic financial planning, budgeting, cost control, project accounting, and regulatory compliance. He is adept at leading cross-functional finance teams, streamlining operations, and implementing robust financial controls to support sustainable business growth and profitability. Mr. Jha possesses in-depth knowledge of construction-specific financial processes, including contract accounting (EPC, turnkey, item-rate), WIP management, cash flow forecasting, and project profitability analysis. He is skilled in managing working capital, securing project funding, and liaising with banks, auditors, and statutory bodies.

Praveen Jha, GM – Accounts and Finance

Mr. Suranjan Mukherjee, GM, brings over 38 years of expertise in material management, stores, and purchase operations. A B.Com graduate with a PG Diploma in Material Management, he excels in negotiations, strategic sourcing, vendor development, and SAP. Renowned for cost control and inventory optimization, Mr. Mukherjee is also a skilled communicator with strong relationship management abilities.

Suranjan Mukherjee, GM-Procurement

Mr. Debasish Dey as DGM (Projects) is a Civil Engineer with more than three decades of experience in construction in a variety of projects like malls, hotels, commercial and residential spaces. He has expertise in executing turnkey projects from start to handover in all aspects. He has been an integral part of the team and has successfully handed over various prestigious projects like JSPL (Angul), Data Centre of TPCODL (Tata Power), Akshaya Patra Foundation Kitchen (Puri), Kalinga Stadium (Bhubaneswar), Wild Lotus Garment Factory (Bhubaneswar), Dalmia Bharat Gopichand Badminton Academy etc.

Debasish Dey, Sr. DGM-Project

Mr. Ranjit Dixit, Sr. Dy. General Manager, brings over 28 years of experience in executing large-scale civil projects across diverse industries. A Civil Engineering graduate with a PG Diploma in Computer Applications, he is adept in SAP PM and MM modules. Recognized twice as Executive of the Year by JSPL, Mr. Dixit is known for independently managing projects from planning to completion, cross-department coordination, and motivating teams to ensure timely delivery and client satisfaction.

Ranjit Dixit, Sr. DGM-Contracts & Planning

Mr. Debi Prasanna Mohanty, DGM, brings 20 years of expertise in HR, IR, and Administration with a strong foundation in HR operations. An MBA, LLB, and PGD holder, he has successfully led manpower hiring, developed HR systems across India, and managed union negotiations. A member of NIPM and NHRDN, Mr. Mohanty excels in employee relations, performance management, compliance, and HR analytics, with certifications in SAP and effective HR practices.

Debi Prasanna Mohanty, DGM, HR-Admin

Mr. Sumitro Mukherjee, Sr. DGM, has 19 years of experience in executing large-scale infrastructure and real estate projects with reputed firms like ACC India, Shapoorji Pallonji, and VASL India. He has managed high-value projects such as PS VAANYA, Medius, and the Second Vivekanand Bridge. A B.Tech and Diploma holder in Civil Engineering, Mr. Mukherjee is proficient in AutoCAD, MS Project, and project coordination, with a strong ability to work both independently and effectively.

Sumitro Mukherjee, DGM-Project

Mr. Amit Ganguly, DGM, brings 25 years of diverse experience across bridge, metro, industrial, and high-rise building construction. A Civil Engineering diploma holder, he has independently led major infrastructure and residential/commercial projects including the ZI Housing Project in Bhubaneswar and DLF Sky Court in Gurgaon. Mr. Ganguly is skilled in total project execution, including manpower mobilization across categories.

Amit Ganguly, DGM-Project

Mr. Subhra De, DGM, brings over 24 years of experience in project execution, having led major building projects across India under tight deadlines. A Civil Engineering diploma holder, he specializes in material and manpower planning, client coordination, and on-site leadership. Known as a dynamic team mobilizer, Mr. De is also proficient in MS Excel, Word, and AutoCAD.

Subhra De, DGM-Project

Rabindra Bajoria heads the Supply-Chain for civil materials of all the projects in the Company. He is a commerce graduate having an immense experience of 35 years in supply-chain and logistics. His remarkable qualities of dependability, 24/7 availability, in-depth market research and networking enables him to undertake all the planning, organizing, directing, and controlling activities related to the procurement function of all civil construction related materials.

Rabindra Bajoria, AGM-Purchase & Store

Ranjan Sahoo heads the AGM-Plant & Machinery division of the Company. With experience of more than 20 years in notable companies like Thermax, Jaypee, Universal & Cosmos, Ranjan is responsible for ensuring that all projects are given proper support and guidance in the form of all kinds of plant & machineries.

Ranjan Sahoo, AGM-Plant & Machinery

I am an HSE professional with 19 years of extensive experience in Construction Projects, Oil & Gas, and Industrial Infrastructure across India. I hold a Master's degree in Environmental Science and professional qualifications in Safety Engineering, NEBOSH, IOSH, along with other recognized certifications in Health, Safety & Environment Management. Throughout my career, I have been associated with leading organizations such as Reliance Industries, Tata Projects, Shapoorji Pallonji, Emami Group, and others, where I have played key roles in Safety Planning, Risk Assessment, Incident Investigation, Emergency Response Planning, and Workforce Safety Training.

Souvik Dutta, Assistant General Manager- Safety

Mr. Debaraj Mahapatra, AGM, brings 17 years of experience in real estate, commercial, industrial, and infrastructure construction. A Civil Engineering diploma holder with a specialization in Construction Management, he is skilled in quality control, project planning, and execution. Mr. Mahapatra has led several key projects including DMRC stations in New Delhi and industrial developments in Haridwar. He is an expert in concrete technology, SCC concrete design, and batch plant operations, with strong proficiency in MS Office tools and AutoCAD.

Debaraj Mahapatra, AGM (Head QA/QC)

Mr. Pulak Roy Choudhuri, AGM, brings over 17 years of experience in project leadership and planning within the construction sector. A Civil Engineering graduate with a diploma background, he excels in value engineering, scheduling, progress tracking, and cost control. Skilled in MS Project, Excel, and ERP systems, he manages client billing, subcontractor coordination, and material reconciliation, ensuring timely project delivery within budget.

Pulak Roy Choudhuri, AGM-Project

A talented, dedicated Civil Engineer with over 20 years of experience in planning, supervising and directing the construction of multi-storey buildings and large-scale industrial projects. For the last 13 years, he has held challenging assignments in key leadership positions and has contributed to high levels of value addition to the organization and the civil sector as a whole.

Manash Kuamar Jena, AGM-PROJECT

Mr. Purnendu Giri, AGM-Projects, brings 33 years of experience in construction and project management, including major works like the CY Marriott Hotel, RIMS Imphal developments, and a 3024-flat housing project in Raniganj. A Civil Engineering diploma holder from W.B.S.C.E.T.E, he has led large-scale residential, institutional, and international projects with expertise in end-to-end execution and coordination.

Purnendu Giri, AGM-Projects

Mr. Saroj Kumar Nayak, Assistant General Manager, has been with SPD for more than a decade. He is a civil engineering graduate with vast experience in handling multiple teams. He acts as a decisive Project Head and is responsible for timely delivery of several key projects like hotels, educational institutes and high-rise residential buildings.

Saroj Kumar Nayak, AGM-PROJECT

Mr. Amalendu Mondal, AGM (Projects), is a Civil Engineer with more than 3 decades of extensive experience in a variety of projects like High-rise buildings, Malls, Hotels and commercial/residential spaces. He has special expertise in executing Turnkey projects from beginning to handover in all respects and has been an integral part of our team successfully completing various prestigious projects in Jharkhand, Ranchi and Odisha.

Amalendu Mondal, AGM-PROJECT

Mr. Aksad Hussain Mallick, AGM Projects, is a seasoned Civil and Finishing Project Head with a strong track record in managing high-rise and commercial building projects for more than 15 years. With proven expertise in planning, execution and quality control of civil and finishing works and a strong track record of managing several high-profile projects like Jindal Steels, Kalinga Stadium, TATA Power Data Centre, Rungta Steels, MGM Steels, etc. Mr. Aksad excels in leading cross-functional teams and ensuring timely, cost-effective and high-quality construction outcomes.

Aksad Hussain Mallick, AGM-PROJECT

Mr. Arunanshu Maity is associated with SPD as AGM having more than a decade and vast experience in mivian (Aluminium shuttering) and conventional projects both. Mr. Maity has handed over more than 11 projects from initial stage to hand over like high rise buildings commercials, residential. Expertise in managing and mentoring of construction teams including managers, engineers, contractors and other personal.

Arunanshu Maity, AGM-PROJECT

Debendra Swain, AGM Projects, a dynamic Civil Engineer with over 15 years of experience in delivering complex construction projects across various sectors, including residential, commercial, malls, hotels, and refineries. With expertise in executing high-rise buildings and large-scale projects from inception to handover, Debendra has been an integral part of our team, successfully handing over numerous projects. A Civil Engineering Diploma holder from UCPES, Berhampur, Debendra brings his wealth of experience and expertise to drive project success.

Debendra Swain, AGM-PROJECT

Mr. Barun Santra, Sr. Project Manager, brings 21 years of extensive experience in high-rise building projects with leading firms such as Shapoorji Pallonji, L&T, and Capacite Infraprojects. A Civil Engineering diploma holder, he has held key roles in major developments like Ocean Star, Piramal Mahalaxmi, and Bengal NRI Housing, demonstrating strong expertise in construction management and project execution.

Barun Santra, Sr. Project Manager

Mr. Ujjwal Tewari, Sr. Manager-Billing, brings 19 years of experience in managing high-value residential and institutional construction projects across India, including IIT Bhubaneswar and multiple Highrise developments in Mumbai and Bhubaneswar. A Civil Engineering graduate with a diploma, he is skilled in billing operations and proficient in MS Office and AutoCAD, ensuring smooth project documentation and coordination.

Ujjwal Tewari, Sr. Manager-Billing

WHY SPD ?

Proven track record of 100+ projects with 35 Million sq.ft. of building construction

Peace of mind
- Single point of accountability offering turnkey solutions

Savings through quicker project handover/
timely delivery

Quality construction/output - strict monitoring through dedicated team

Cost savings through value engineering, innovative approach and expertise

Solid financials with negligible debt - minimal risk of delivery due to funds

Experienced & dedicated team - proven manpower with more than 10 years of experience

Specific **focus on QHSE** (Quality, Health, Safety & Environment) through dedicated team

100% owned plant & machinery and formwork / shuttering material

Long-term relationship with a target of 100% client satisfaction

Vast network of quality labour contractors

Technically sound
- delivered several challenging engineering projects

SPD has been providing its clients with reliable and responsive solutions to their construction challenges since 2010. And today SPD is proud to be recognized as an industry leader in Odisha.

Our expertise encompasses the full gamut of construction services from designing and piling to complete finishing, services and handover catering to residential, office spaces, shopping malls, hotels, academic buildings, warehouses, factories, sports complexes etc. We strive to complete your project on schedule, on budget and with a responsive, client-centred approach.

END-TO-END SOLUTIONS

Civil

Designing, Surveying, Piling, Excavation, Shuttering, Post Tensioning, Structural Steel, Blockwork, Pre – Engineering Building

Finishing

Flooring, Door – Windows, Painting, Water – Proofing, Anti – Termite, Furniture, Internal Signages, ACP Cladding, Acoustic Paneling

Electricals & HVAC

Supply, Installation, Wiring, Cabling, LT – HT Panels, CCTV, Solar Equipment, Supply & Installation of complete HVAC system, Chiller Plants, VRV Systems

PHE Systems

Supply, Installation, Testing and Commissioning of PHE Systems, Drainage Systems, WTP, STP, Effluent Treatment Plant, Rainwater Harvesting

Fire Fighting

Supply, Installation, Testing and Commissioning of entire Fire Fighting Systems

External Development

Landscaping, Road & Road Systems, Electrical and Water Supply Works, Street Lighting, External Signage

TIMELINE

Company was incorporated – executed 1st project (PDN Developers), residential building covering ~ 1.2L sqft in Bhubaneswar.

2010

Commissioned 1st captive fly ash bricks manufacturing plant with a capacity of ~4L bricks/month in Chandaka, Bhubaneswar.

2013

Expanded presence into 2nd State (Assam) by securing the contract of renowned Aarus Mall on GS Road, Guwahati.

2014

Expanding presence into 3rd State (West Bengal) – turnkey residential development of ~2L sqft 'New Cosmo City for Vivek Realty.

2015

Established 2nd captive fly ash bricks manufacturing plant ensuring sustainable supply with a capacity of ~4L bricks/month in Trisulia, Cuttack.

2016

Established another captive fly ash bricks manufacturing plant at Nakhra, Bhubaneswar, raising the total capacity across all units to ~13L bricks/month
Ventured into 4th State (Jharkhand) — a township of ~6.5L sqft for Aakash Riviera in Jamshedpur.

2019

Labour strength crossed 3,000.

2020

Achieved 3 different milestones by winning the tender for MoH by HSCC for RIMS hostel buildings: (i) expansion into 5th State (Manipur), (ii) 1st Central Government order and (iii) 1st turnkey medical institute order.
Expanded to a workforce of 500+ with annual revenue exceeding ₹100 Cr.

2021

Expanded footprint into 6th State (Meghalaya) & 7th State (Maharashtra) with landmark projects (NEIGRIHMS & TATA Serein) workforce crossed 5,000 secured first ₹100+ Cr single order.

2023

Made a landmark entry into 8th State (Haryana) with the prestigious IOCL Project.
Achieved a remarkable financial milestone with revenue soaring past ₹300 Cr.
Commissioned our very first RMC plant, marking a new era of in-house capabilities.

2024

YEAR OF ACHIEVEMENTS

Commissioned the 2nd RMC plant at Behrampur, further enhancing in-house capabilities
Revenue scaled new heights, crossing the ₹440 Cr mark.
Successfully completed 100+ prestigious projects across diverse regions & categories
Employee strength grew significantly, reinforcing our strong and capable workforce.

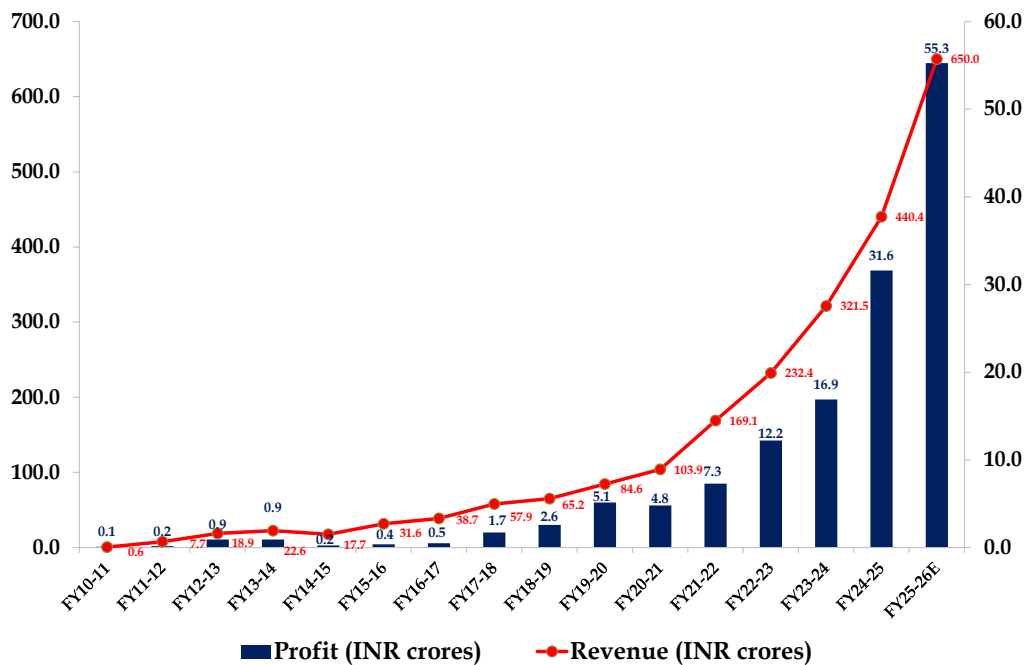

2025

SAFETY IS THE FIRST PRIORITY

In addition to holding events that build teamwork, SPDCL is consistently organizing safety seminars to inculcate the best industry practices in the HSE (Health, Safety and Environment) department. SPDCL gives top priority to ensure that its workforce is well-versed with the required know-how and awareness to create a sustainable working environment for all stakeholders.

TESTIMONIAL

On behalf of **M/s Vivek Realty & Resorts Pvt. Ltd.**, I would like to personally thank you and your team for the completion of the structural work of the project in West Medinipur at Saha Chowk, NH-6, Mumbai Road, Malencha, Kharagpur, Paschim Medinipur, West Bengal- 721304.

As you are aware the project had many challenges not least the particularly challenging timescale in which the work was carried out. On behalf of my whole team I express their gratitude, especially in regard to your close co-operation on site which made it all the more achievable. Mr. Prabhakar Sahni our Project Manager also wanted to pass on his special appreciation for the hard work, dedication and team spirit your men entered into on site.

We know from our own experience that it must have required a considerable amount of planning and organization, plus full co-operation from your employees to ensure the successful outcome. I will have no hesitation in employing **M/S SPD Constructions Ltd** on future projects and therefore look forward to working with you again; it was a pleasure working with you and your team, demonstrating a positive "can and will do approach" throughout.

In conclusion, please forward my thanks to your team for their contribution to making this project the success it is.
